

5TH MEDICATION SAFETY CONFERENCE

alongside the

INTERNATIONAL MEDICATION SAFETY NETWORK ANNUAL MEETING

First Announcement

15-17th November 2012, Abu Dhabi, UAE

With the support of Abu Dhabi Health Service Co. PJSC (SEHA) the 5th Medication Safety Conference once gain embark on campaign to improve patient safety in the region. This highly anticipated event will take place from 15th - 17th November 2012 in Abu Dhabi. Reaching yet another milestone, the 5th Medication Safety Conference will run alongside the International Medication Safety Network (IMSNI) Annual Meeting for the first time in Middle East.

Based on its previous success the Medication Safety Conference will attract over 1000 pharmacists, physicians, nurses, students and other healthcare professionals devoted to patient safety and in particular medication safety best practices from all corners of the world.

A faculty of distinguished international and regional speakers will converge on the country's capital to provide delegates with up-to-date research and strategies to both increase delegates awareness of critical safety issues and share top-quality scientific material.
